Novellen "Lucky dip" er baggrund for hele grammatikken.

Alle grammatikeksempler og øvelser er hentet fra den – enten via direkte citater eller omskrivninger. Du oplever således sprog og grammatik i en ægte kommunikationssituation i et levende og fængslende miljø. Det at den samme kontekst anvendes hele vejen igennem til at eksemplificere den engelske grammatik giver dig et sammenhængende billede, som du kan forholde dig til og hente frem, når der er brug for det. Bogen afsluttes med en folde-ud rettenøgle, der kan bruges af både din underviser og af dig til at få overblik over, hvilke grammatiske områder, der driller, således at du selv kan arbejde videre med at få styr på grammatikken.
