Mille rider galop. Det går hurtigt. Siri løber alt, hvad den kan. Alt for hurtigt. Hvordan skal hun stoppe Siri? Læs også: Hej, Siri Jørn Jensen, født 1946, yderst produktiv og prisbelønnet børnebogsforfatter, uddannet guldsmed og lærer. I sin tid som skolelærer mødte Jørn Jensen mange børn med læsevanskeligheder og fandt, at der var mangel på læsemateriale til de små nye læsere, der kunne vække ægte læseglæde. Hans tanke var, at læseglæde og indlæring går hånd i hånd, og at kun den gode historie og appetitlige bog kan fange børnenes interesse, og derfor gik han selv i gang med at skrive. Han står nu bag flere hundrede letlæselige bøger til børn, hvoraf især genrer som mystik og gys skal fremhæves. Alle hans bøger er illustrerede.

They're not as.

If you've used any sort of voice recognition software before a lot of these will be familiar. 06/04/2018 · Stop griping about Siri and get Apple's iPhone assistant to work better.
